

**WRAV101/MSEV101: Examination (14 June)**  
**Section B (50 marks)**

Student Number	
Surname	
Name	

**Combine all your tasks into one file to submit in Moodle, and save on your T drive:**

1. Add your personal details in the space provided above.
2. Copy your code from the .cs file in Visual Studio to the provided space below. *Copy all your code – from line 1 up to the last curly bracket.*
3. Use the SAVE AS functionality to save your document with your student number in the filename – Exam-studentnumber.docx (e.g. Exam-224390000, where you have your student number after the -)
4. When you have copied the code for all the tasks, be sure to save your file again.
5. Then save your file again as a PDF file – and this file should be uploaded to Moodle Assessment.

**Section B:**

**Question 1:**

*Copy your code here*

**Question 2:**

*Copy your code here*
